

Aerial Gunnery Symposium

March 13 • 11 a.m. to 4 p.m.
Stockton Field Aviation Museum
Stockton Airport, California

Aerial Gunners are American military aviation's unsung heroes. Come help pay tribute to these airmen and hear World War II, Korean, and Vietnam-era aerial gunners discussing their combat experiences and the systems they operated.

The following turrets/turret systems will be on display, many fully functioning:

B-17/B-24 ball turret • B-29/A-26 remote control turrets • B-24/B-26 Martin 250CE top turret • AT-11 Crocker Wheeler top turret • B-17G Cheyenne tail turret • B-29 tail gunners compartment • B-52 tail stinger turret • P2V nose & tail turrets.

Other displays include: Armament display of .30 cal., .50 cal., and 20mm guns; Aircraft gunsights (both offensive & defensive); & training devices.

*Admission \$7. Doors open at 10 a.m. Speakers begin at 11 a.m.
BBQ Tri-tip lunch will be available for an additional \$8.*
